Petition for revival based on unintentional abandonment

Dear Commissioner,

This petition is based on the fact that the abandonment in completing the Patent Application (Number 10/600,028) was unintentional. (MPEP 711.03(c), subsections (111) (C) and (D)). Copies of the Notice to File Missing Parts of Nonprovisional Application and of the Notice of Abandonment under 37 CFR 1.53(f) or (g) are included with this letter.

Please also find enclosed two compact discs labelled Copy 1 Replacement 04/03/2006 and Copy 2 Replacement 04/03/2006. As required by 37 CFR 1.52(c), I certify that each disc of this duplicate set is identical to the other discs in the set.

For each compact disc the machine format is IBM compatible; the operating system compatibility is ASCII format, Windows 98 up to Windows XP. There is one file on each compact disc, its file name is Patent Application; it is 20KB in size. These discs were created as replacements for earlier submitted non-complying discs on 04/03/2006 (April 3,2006).

Yours sincerely,

Harold D. Foster Ph.D.

Items Required To Avoid Abandonment:

An application number and filing date have been accorded to this application. The item(s) indicated below, however, are missing. Applicant is given TWO MONTHS from the date of this Notice within which to file all required items and pay any fees required below to avoid abandonment. Extensions of time may be obtained by filing a petition accompanied by the extension fee under the provisions of 37 CFR 1.136(a).

If a directory of the disc could be printed, it is attached and non-ASCII files are marked on the directory listing.
